CURRICULUM

Bachelor of Science in Business Administration (BSBA) Major in Financial Management

Academic Year 2018-2019 Reference CMOs: CMO 17, s. 2017, CMO 4, s.2018 and CMO 20,s. 2013

Curriculum Description

The Financial Management program prepares the graduates for various careers in financial management as well as in related fields; including but not limited to corporate finance, investment management, banking, credit, trust operations, insurance, foreign currency markets, money markets, capital markets, and other financial securities market. The curriculum provides the graduate with knowledge on financial institutions and technical skills based on established financial theories, methodologies, and various analytical tools. It promotes an outlook that is based primarily on ethics, market integrity, regulations, good governance and competitive global perspective, necessary for effective financial decision making.

Program Objectives

To produce business professionals who:

- 1. Assume supervisory and/or managerial responsibilities within their organization;
- 2. Pursue graduate studies in business and management; and
- 3. Manage a business.

Program Outcomes

A graduate of BS Business Administration should be able to:

1. Analyze the business environment for strategic direction;

2. Prepare operational plans;

- 3. Innovate business ideas based on emerging industry;
- 4. Manage a strategic business unit for economic sustainability; and
- Conduct business research.
