## College of Teacher Education

### CURRICULUM

#### Bachelor of Secondary Education (BSEd)

#### Major in Filipino

Academic Year 2023-2024

Reference CMOs: CMO No. 20 s. 2013, CMO No. 75 s. 2017, CMO No. 4 s. 2018  
CMO No. 39 S. 2021, CMO No. 40 S. 2021

### Curriculum Description

The BSEd is an undergraduate teacher education program designed to equip learners with adequate and relevant competencies to teach in their chosen area of specialization/major at the secondary level. It aims to develop highly motivated and competent teachers specializing in the content and pedagogy for secondary education. After successful completion of all academic requirements of the degree/program, graduates of BSEd should be able to practice the teaching profession at the Secondary Level.

### Program Objectives

The BSEd program aims to produce secondary teachers who have the ability to:

1. demonstrate comprehensive and up-to-date knowledge in a specific field of specialization in the secondary education curriculum by engaging in scholarly and research activities and maximizing opportunities for lifelong learning;
2. provide meaningful learning experiences to secondary students by using emerging educational technologies for quality and effective teaching and by creating an environment that encourages positive social interaction, active engagement and self-motivation;
3. demonstrate competence in teaching and testing through the design, adoption, and utilization of teaching methods, instructional materials, and assessment tools that are appropriate to the cognitive, affective and psychomotor development of secondary learners;
4. observe the code of ethics for professional teachers and internalize the importance of continuous professional development, as well as the need to work cooperatively and harmoniously with all members of the academic community; and
5. establish sustainable partnerships and linkages with the professional community and provide assistance to the undeserved, oppressed, illiterate and less skilled members of society through extension activities and community service.

### Institutional Graduate Attributes (IGA)

#### IGA1: Knowledge Competence

Demonstrate a mastery of the fundamental knowledge and skills required for functioning effectively as a professional in the discipline, and an ability to integrate and apply them effectively to practice in the workplace.
